Member and Parent Expectations

The Boys & Girls Clubs of Greater Tarrant County strives to maintain a Club environment that is built on respect for all. As such, there is a zero tolerance policy for behaviors or actions that jeopardize the health, safety, and well-being of any individual(s) being served or employed by the organization; this includes but is not limited to other parents, members, staff, volunteers, and partners of the organization.

BGCGTC does reserve the right to terminate any membership based on the behavior of parent/guardian. Negative behavior by a parent/guardian will be viewed as a violation of organizational policies and will be addressed immediately with actions up to and including suspension or termination of membership. In an instance in which membership is terminated for violation of organizational policies by the parent or child, no refund will be administered.

All members and youth attending or participating in BCGTC programs and activities must be able to comply with BCGTC Membership Safety and Inclusion policy, along with member rules and expectations. Members and youths' ability to comply with these guidelines helps to ensure that all participants are able to receive a quality Club experience. Failure of any member or youth participant to comply with these expectations may result in implementation of the BCGTC disciplinary policy, and may result in escalating consequences which may result in suspension or termination of membership.

Health and Safety

It is important that every parent cooperate fully with the Health and Emergency Procedures of the organization. Our regulations are designed to protect the well being of all members. Boys & Girls Clubs of Greater Tarrant County welcomes all children and is committed to act in a non-discriminatory manner and to make reasonable accommodations to provide equal opportunity and service to individuals with disabilities and other needs. BCGTC's number one priority is to safely serve all children and youth in our care. The Boys & Girls Club of Greater Tarrant County staff members will work with families to understand special needs of children seeking accommodation, and to identify potential modifications necessary to support the disability within our ability to safely serve the child. Staff will work to integrate individual accommodations as safely and feasibly as is achievable.

Local or Environmental Health Emergency

In the event that there is a local, regional, or national health emergency, the organization may be required to modify its regular procedures by adding more rigor, regulations, and/or restrictions to ensure its ability to safely operate its facilities and programs. Processes may require at minimum additional screening, parental acknowledgement of health and wellness, provision of documentation, and/or verification of compliance with organizational standards prior to admission to program or services, and/or modified operating hours. Any process implementation may require an escalation in its administration and/or frequency of administration. All process implementation is done in accordance with organizational policy, and an adherence to local, state, and federal laws and ordinances, including but not limited to anti-discrimination, ADA compliance, Child Abuse and Neglect, and Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Please Note: Due to the COVID-19, novel coronavirus, additional health screening protocols including daily temperature checks, social distancing, and mask wearing will be mandatory and must be satisfactorily adhered to for any and all individuals prior to entering a BCGTC facility or program. BCGTC will continue to follow guidance from Centers for Disease Control (CDC) and the Tarrant County Public Health Department regarding public health protocols.

While BCGTC will take added precautions to safeguard all staff and children in our care, by submitting an application for membership, each parent or guardian acknowledges that COVID-19, coronavirus could still pose a serious health risk to you and your family. The ability to safely serve every child is the number one priority of Boys & Girls Clubs of Greater Tarrant County.

Safety Regulations

The safety and well-being of children is the #1 priority of the Boys & Girls Clubs of Greater Tarrant County. If ever any individual has a concern for the safety and well-being of a child, the following resources are available to share confidentially:

The law **requires** any person who **believes** that a child, person 65 years or older, and or an adult with disabilities is being abused, neglected, or exploited to report the circumstances to the Texas Department of Family and Protective Services (DFPS) Abuse Hotline. All BGCGTC staff are considered to be mandated reporters and will comply as such. Reports of abuse will also be subject to the BGCGTC Incident Management protocol. All staff are providing the following Abuse Hotline information, available 24 hours a day:

- Toll Free Telephone Number (1-800-252-5400)

As partners in making the Boys & Girls Clubs the most safe and positive environment, we ask all parents to understand the following safety regulations:

Checking members in/out is the responsibility of the parent/guardian or designated adult authorized to pick up. For the safety and protection of our members, any authorized individual picking up a child **MUST** enter the facility and sign their child out through the ProCare member management system. Children will not be released to any individual not on the approved pick up list, nor to an individual that does not physically enter the facility to complete the member checkout process. Any changes to individuals on the approved pick up list must be communicated immediately and in writing to the Branch Director and/or Front Desk Coordinator at the Branch where the child attends. Club staff are not allowed to release Club members through phone calls. Additionally:

- Parking in fire lanes is expressly prohibited. Parents / guardians parking in fire lanes will be asked once to move. Failure to do so will result in Club staff contacting law enforcement to address the situation
- Members will not be allowed to walk unless a walking waiver is signed by the parent giving consent for walking to be allowed.

- BCGGTC maintains some facilities that are not child care licensed programs and that the staff cannot assume responsibility for a child leaving the facility. BCGGTC staff are not authorized to physically confine Club members to prevent them from leaving the facility.
- It is required for parents / guardians to provide current contact information. Failure to update contact information prevents Club staff from effective communication in the event of an emergency and will result in the immediate suspension of membership until accurate information is provided.
- Members are not allowed to loiter on organization property and may not be instructed by parents / guardians to be on the premises prior to opening or after closing.
- In the event that a parent / guardian is more than one hour late to pick up their child(ren), Boys & Girls Clubs staff will notify both law enforcement and DFPS of child abandonment.

Visitors and Volunteers

Visitors: Tours of BCGGTC facilities may be conducted to acquaint new members and parents with programs and facilities of the organization. Visits beyond initial parent tours must be approved by the Senior Vice President of Branches, Senior Vice President of Operations, or CEO and President. Unapproved individuals are not to be on organization property at any time.

Volunteers: Volunteering is encouraged and a vital need for our operations and programs for the youth. Those interested in volunteering must undergo a comprehensive background check before being allowed to engage in activities with youth. For more information about volunteering, please visit www.bgcgtc.org

Health and Emergency

The Boys & Girls Clubs of Greater Tarrant County welcomes all children and is committed to act in a non-discriminatory manner and to make reasonable accommodations to provide equal opportunity and service to individuals with disabilities and other complex needs. It is important that every parent cooperate fully with the Health and Emergency Procedures. BCGGTC number one priority is to safely serve all children and youth in our care.

All BCGGTC Branch will not administer any medications directly to children in its care. If a child requires any form of medication, the parent or guardian must immediately disclose the need for accommodation. The accommodation will be reviewed by the Branch Leadership Team in coordination with the BCGGTC Safety team to determine if an accommodation is feasible. No medications or drugs are allowed to be in the custody of children with the exception of an inhaler and/or EpiPen.

If your child is ill before leaving home and/or has fever of 100 degrees or greater, please DO NOT BRING HIM/HER TO THE CLUB. Any member or child must be fever free for at least (48) hours before returning to the Club. If it is discovered that your child is ill or has head lice, they must be picked up immediately and will be required to remain away from the Club until they are symptom free or that lice is gone. Staff will recheck members to ensure this has occurred prior to returning to the facility.

If a child is deemed to be ill, they may be removed from the program area and/or isolated under staff supervision until a parent, guardian, or authorized individual for pick up arrives to take the child(ren) home. If necessary, to ensure the safety and well-being of all kids and staff program areas and/or entire facilities may be closed for additional cleaning and safety and will not reopen until it is considered safe to do so.

Food Allergies

Members with special dietary or nutritional needs may want to bring their own snack. Members with a food allergy **MUST** have a food allergy form completed by a physician on file. Inform staff if your child carries an EpiPen.

All members with a food allergy must turn in a food allergy care form before they are able to attend the after school program. The form must be completed by a physician. It can be turned in via email to branchinfo@bgcgtc.org, or to the branch director of the Club your child attending. This form is required by DFPS and if not turned in, membership will be canceled without a refund.

Incident Management

To ensure the safest possible environment for serving all youth in the event of a behavior incident, accident, injury, or emergency situation, BCGGTC follows its incident management process. All incidents are thoroughly investigated and reviewed to gather all available facts. Parent(s)/guardian(s) and/or an authorized individual picking up Club member(s) are informed verbally and are asked to sign the incident form acknowledging that they have been made aware of any incident involving their child(ren). If the parent/guardian is not the individual picking up the child on the day an incident occurs, the parent will be called and notified prior to the close of the branch that day. During the review process, a child(s) membership may be suspended indefinitely until all facts can be gathered and a decision can be determined. Information about decisions and/or actions made regarding another child or parent is confidential, and will not be shared publicly.

Communication

In addition to face-to-face verbal communication and/or direct phone call, BCGGTC utilizes ProCare Childcare Management System, the Remind App, e-mail, printed letters and permission slips, flyers, and Club signage to communicate with families. We strongly encourage each parent or guardian, and all individuals on the authorized pick up list to have downloaded the Remind App. It is critically important to inform staff within 24 hours when there is an update in contact information, and to ensure that your phone number, home address, and e-mail address are all correct and current.

Cell Phone Use

Members are not allowed to use any communication equipment without direction and supervision. Cell phones must be silenced and put away while engaged in programming. In an emergency, members should notify a staff member to ensure appropriate contact is made with the parent and/or guardian. Children that do not have a cell phone will be allowed to contact parents and/or guardians from the front desk phone.

Disciplinary Discretion

All members and parents must adhere to BCGGTC Expectations and Guidelines. The Boys & Girls Clubs of Greater Tarrant County reserves the right to implement the discipline and behavior management process at any point in time, up to and including suspension, probation, and/or membership termination.

Parent(s) or guardian(s) behavior that is deemed inappropriate, derogatory, disrespectful, and/or that creates an unsafe environment to successfully manage and operate BCGTC services can result in the immediate termination of a child(ren) membership(s).

The disciplinary step system and suspension protocol and suspension protocol is enforced by the Branch Leadership team under the direction of the Senior Vice President of Branches, and include the Branch Director or Site Lead, or Area Director.

Disciplinary Step System

Step 1 - Redirection

Redirection is intervening before an unwanted behavior occurs. Some forms of redirection are offering alternative choices to behavior and positive reinforcement for wanted behavior. When behavior is unacceptable, staff will explain clearly to the child what is expected. Children will be reminded that we are working toward a RESPECTFUL, RESPONSIBLE, CARING, and HONEST atmosphere. The child's self-esteem is the primary concern when a child needs to be redirected.

Step 2 – Verbal Warning

Youth showing inappropriate behavior, language, gestures, or hygiene will be given a verbal warning by the staff after each incident. Failure to adhere to the first verbal warning will lead to additional consequences. Staff will only issue the verbal warning once before moving forward with additional disciplinary actions.

Step 3 – Area Based Time-Out

Club members who have been given a verbal warning but fail to adhere to the instruction given by staff will then be required to complete a 5 minute time out within the area where the verbal warning was given.

Step 4 – Time Out in Designated Area Outside of Normal Programming

If a member continues to violate rules within a programming area, they will be sent out of the area and placed in time out in an area designated for this purpose. This time out may not last longer than the duration of one rotation period. Upon the implementation of this step, a discipline notice will be filled out by staff and must be presented to and signed by the parent / guardian.

Step 5 – Sent Home for the Day

After a member receives two write-ups or more than one out of area time out in one day, the parent will be called and that member will be sent home for the day. Additional days of suspension can be implemented at the discretion of the Branch Director if warranted by the member's behavior.

Step 6 – Suspension (indefinite)

Once a member returns from being sent home, any additional write ups within a 30 day period will lead to additional disciplinary action including suspension. If a member has repeated behavioral problems, violations of Club rules or policies, and/or incidents suspension may be extended for an indefinite period. While most suspensions will range between 3-7 days, BCGTC and its Branch Leadership Team reserves the right to extend removal from Club programs and activities as deemed necessary.

Fighting, disrespectful behavior, theft, drug / alcohol / tobacco possession or usage, bullying, destruction or vandalism of club property, refusal to follow rules or staff instruction, and inappropriate peer to peer interactions can all lead to immediate suspensions. The length of these suspensions will be based on the

seriousness of the action and will be determined by the Branch Leadership Team. Members are also required to be toilet trained and parents will be required to pick up children immediately when accidents occur. Multiple accidents will result in the termination of the membership.

Step 8 – Increased Levels of Suspension / Membership Termination

If a member's behavior warrants additional suspensions, the amount of time will continue to increase at the Branch Leadership Team discretion. Multiple suspensions for behavioral problems and/or incidents may result in termination of membership. Please be advised that suspensions / membership terminations apply to all Boys & Girls of Greater Tarrant County programs and locations.

Transportation

Members participating in the transportation program must ride the bus consistently to maintain their spot on the bus roster. Ridership is considered at least 60% and is assessed regularly throughout the month. Parents of any member who is not meeting the ridership minimum will be notified to assess for unique circumstances. Any determination to cancel ridership will be communicated in writing to the parent. Please note that all members that are riders MUST be in designated pick up area within (8) minutes of school dismissal. The bus will not return for any members who were not in the assigned pick up area by the time the bus departs. All members are to ride the first available bus, and are not guaranteed a spot on a later bus if they are not in the assigned area at the time of pick up.

For members participating in a BCGTC sponsored field trip in which organization vehicles will be used to transport members, parents must sign and submit the accompanying permission slip authorizing their child to participate and be transported to and/or from the activity. Any special accommodations to be made regarding transportation or pick up of a child must be submitted in writing and approved by BCGTC Branch Leadership prior to the trip.

Late Policy

Boys & Girls Clubs of Greater Tarrant County facilities close promptly at the designated times. Closing times may fluctuate based on location or time of year, so parents / guardians are responsible for knowing closing times at their specific locations.

There is a \$10 late fee assessed at any point during the first ten minutes after closing. Each additional minute increases the late fee by \$1. Late fees must be paid before members may return to the facility. Parents / guardians will not be allowed to transfer memberships to different locations prior to late fees being paid.

It is the sole responsibility of the parent / guardian to drop off and pick up their child(ren) on time. Repeated failure to do so could result in membership termination. It is also required that parents / guardians communicate with Club staff when instances of late pick up occur. It is unacceptable for Club staff to be unable to reach parents / guardians in the instance of late pick up and membership could potentially be terminated for inadequate communication with Club staff in these situations.

In the event that a parent / guardian is more than one hour late to pick up their child(ren), Boys & Girls Clubs staff will notify both law enforcement and DFPS of child abandonment.

Inclement Weather

On days of inclement weather Boys & Girls Clubs of Greater Tarrant County will follow the Fort Worth and Arlington Independent School Districts closing schedules. However, we reserve the right to close facilities at any time due to weather or safety concerns. BGGC will follow all organizational emergency preparedness policies and procedures in the event of a weather related event or emergency.

Please contact your branch before you attempt to bring your child(ren).

Facility Closures

The Boys & Girls Clubs of Greater Tarrant County will be closed for holidays throughout the year. Schedules may vary based on location but closures will be communicated through a variety of methods to ensure parents / guardians are aware. In addition to holiday closures, the Boys & Girls Clubs of Greater Tarrant County reserves the right to close based on any organizational need, including but not limited to facility issues, staff training, safety concerns or any other reason deemed legitimate by the organization.

In the event of an unexpected or emergency closure, parent(s) or guardian(s) will be notified as quickly as possible. It is the parent(s)/guardian(s) responsibility to ensure their child(ren) is picked up in a timely fashion. Please reference the section on communications for methods in which BGGC will communicate with parents regarding facility closure; this includes: phone, e-mail, and Remind App.
