BOYS & GIRLS CLUBS

A MISSION IN MOTION FOR DENTON COUNTY

About Us

Our mission is to enable all young people, especially those that need us most, to reach their full potential as productive, caring, responsible citizens.

As the oldest and largest Club in Texas, Boys & Girls Clubs of Greater Tarrant County provides over 31,000 youth ages 6-24 each year with a safe, positive environment, supportive relationships, and opportunities to nurture academic success, healthy lifestyles, and character and leadership.

We've worked to provide solutions for families for nearly 100 years, and we are committed to evolving our services to meet the needs of our community. Last fall, we officially expanded to Denton County with our Mobile Clubhouse. We need YOUR support to continue to expand and further enable youth in your community to reach their full potential!
